STAGE DUST

By Afra Bean the Gossip Queen

Well, I'm thrilled to be back composing my column after my hiatus with Uncle Punky researching his latest work on semi-neo-classical dadaism.

Was Bob's draft status a consideration before becoming President?

How many water filled booze bottles does it take to perform A STREETCAR NAMED DESIRE?

Now that we have Rosie and Wayne married who will the VPW Cupid strike?

Heard at a VPW Halloween party, "Butterflies are never free, but, reasonable".

Janet, no one believed what Bob said at the Halloween bash.

Evvie! Tom and Donna? Jim and Val* Larry and Sarah and Pat!?

Will the police raid the next VPW party?
