STAGE DUST

By Afra Bean the Gossip Queen

The Ramblin' Rose II was christened during a civic ceremony on Hennessey
Street last month. Highlighting the formal occasion was the sudden
arrival of a lunar eclipse.

Bobs Visa application to the Soviet Union was rejected for the obvious
reasons. We told him not to put Janet as a character reference.

Evvie was last seen carrying on.

Tom Kohls did nothing this month worthy of comment. Sorry, Donna.

Will Tom Zuehlke get The Best Christmas Pageant Ever right this time?

The VPW wedding of the century is almost scheduled. Stay tuned to this
column for details!
