PUBLICITY PERSON WANTED!

The VPW is looking for a person interested in learning the fast paced and interesting world of Theatre Publicity. This special person will assist our current publicity person DAVID BLANK and learn trades tricks from him. David has given an outstanding year of publicity and you won't learn from a more accomplished person. The idea is not only to provide David with an assistant for this season, but also to train someone to take over publicity next year. If you're interested in this exciting challenge please call David at 744-8916.

An ENCORE to JANE PRESTON for providing transportation for the VPW entry in the July 4 Wauwatosa parade. Thanks to all who participated

The national AACTFEST winner was "INTO THE WOODS" from Indiana, which is the play that beat the VPW's entry "ON TIDY ENDINGS" at regionals. It took a national champ to defeat us!

STAGE DUST

By AFRA BEAN The Gossip Queen

(I was very encouraged by the response to my season ending column- two death threats, three promises of equally slanderous reprisal, four defamation suits, six anonymous rebuttals, a bevy of esoteric denials, and one marriage proposal!)

As of Summerfest Mark and Amy were an item once more.

Ohio was so good Anna stopped in Tennessee to get adjudicated again.

Will anyone with news on the Laura/Richard saga please call Jodi!

Evvie and Tom were skinny-dipping. See Rosie for pictures.

Ariane has given permission for her mother to read the newsletter and thus promises to engage in much mentionable gossip.

Joe was so surprised at winning an ENCORE award his acceptance speech was barely articulate.

How bad does Bob feel about what he did to Janet? So bad, he promised not to do it to Maryanne.

Is it considered being late when you arrive at a meeting two hours after it started when you didn't have to be there to begin with?

Uncle Punky vows to get produced this time!
