THE PEEPS DIARY

By Sam Peeps

Janet, Bob is going to New York with Mary Jo!.... Erin, the VPW is waiting for the Miguel report.... What were the Tosa cops doing in Dawns bedroom at 2AM? Dawn, this is usually reserved for Rosies Pool Parties.... Paul now is unavailable thanks to Jennifer....

Anna, does Denise know about Jeff?... What does Tom know about Frank and Roger? And who spilled the Lima beans?... Mary, Tom has the info about his cousin you wanted.... Evvie was seen, by Rollie, groping her way along the ice skating crowd....

Who said? "BE WARNED, JAMES, AND REMAIN, AS I DO, INCOMPREHENSIBLE: TO BE GREAT IS TO BE MISUNDERSTOOD." Was it, OSCAR WILDE, TOM KOHLS, PAULA STUART, EMMA/ETTA STAPLES, UNCLE PUNKY.

AFFLATUS is a noun meaning a sudden rush of divine or poetic inspiration (from the Latin "afflare"- to breathe or blow on. Inspiration means a breathing in. Why the ancients chose the breath of the gods or muses instead of their touch, voice etc. to communicate super-human knowlegde is unclear. Perhaps they knew one romantic evening during a candlelight dinner, Tom would look over at Nancy and say, "I think I've just had an AFFLATUS!"
