PEEPS DIARY

By SAM PEEPS

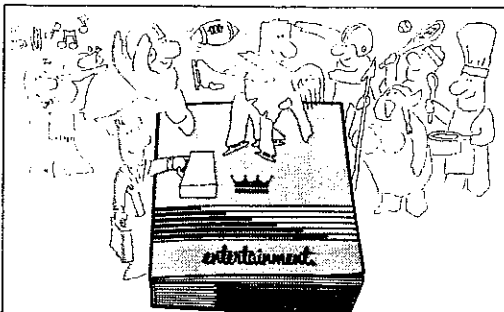

"OH, PERFIDIOUS LOVE!"- TOM slept on the sofa, JOE in the den, PAUL alone... JODI is leaving, STEVE returned... KEITH says it's final near the end of this month, it began for TOM and MARY last month...

Who in "TOM JONES" is the most type cast? Ballots will available in the lobby for you to vote... Speaking of casting ballots, the VPW will not endorse a candidate for the November Presidential election. Endorsements for the House and Senate are pending...

What VPW couple created a scene at a Brewers game?... Why did EVVIE have a tape measure, and what did she do with that 14 inches?... Will DAWN again inspire the most gossip of the One- Acts?... Who's FRED?.

Suggestions for parties at TOM and Donna's new home: an inside lock, or reservation sheet for the garden house, an ample supply of cole slaw (shredded not diced), jello for the pool, a new moon. tikki torches along the driveway, a love seat, hammock, and hot-tub...

What do UNCLE PUNKY, APRIL MAY SUNDAE, R.E. LEE and TOM ZUEHLKE have in common? (Hint: all have appeared on the VPW stage)..
