"FIFTH OF JULY" is adult entertainment with mature themes boldly stated and portrayed. We are proud to accept the challenge this offers a community theatre and hope you, as theatre enthusiasts, find material often limited to downtown a pleasure to experience.

THE VPW AND ARTREACH OF MILWAUKEE have joined to make FIFTH OF JULY available to the physically impaired. Our productions on MARCH 5 and 12 will interpreted for people with hearing and visual impairments.

We are requesting our members support this civic effort with a contribution to pay the fees of the interpreters and to subsidize the cost of show tickets for financially disadvantaged people. Individual or corporate donations of any amount may be sent to the "VPW- ARTREACH PROJECT" P.O. Box 13095, Wauwatosa, Wi. 53213. Please makes checks payable to the VILLAGE PLAYHOUSE OF WAUWATOSA. We intend to continue offering this service for those too often denied access to Theatre and your generosity will make it possible,
