

## **EVITA**

The VPW season will close with the smash hit  
EVITA.

We are pleased to announce in the Directors chair will be  
TOM STAJMIGER.

Tom is already putting together a production team and if you're interested in helping, drop us a note through the PO box and we'll be sure to get back to you. Our most immediate need is for a  
PRODUCER.

The VPW Producer position requires you to juggle many plates with a steady hand. If you are at all interested in the position, let us know. Co-producers are always an option.

I know a lot of you have already written us about EVITA auditions. I also know I haven't any info yet, but will publish dates ASAP. The production dates for EVITA are JUNE 16,17,23,24

## **THE FIFTEENTH ANNUAL WISCONSIN PLAYWRIGHTS ORIGINAL ONE-ACT PLAY FESTIVAL**

Enclosed you will find a submission form for the VPW One-Act Play Festival. The dates and location are being worked out as I write this and will be finalized for the ENCORE later this month. Again, we are in need of a PRODUCER for the Festival.

Much of the pre-production is done or well underway. If you're interested in this position call TOM at 744-5212.

## **PLAY READING COMMITTEE**

The Play Reading Committee for next season has been formed and will have met once by the time you read this. So, if you have any suggestions, get them to us via the snail-mail PO box.

## **MEMBERSHIPS**

A VPW ENCORE to all who responded to our first-class membership mailing in fall. We weeded out lots of dead-weight.

We also heard lots of positive feed-back about the new space and the bright VPW future. Some long lost friends have returned.

JOE WALSH, former VPW President, and Eagle, is living and teaching up in Iron Mountain, Michigan. So, along with his \$5. dues, he includes the name and address of a Wisconsin resident who might have a one-act submission to get on our mailing list. THAT'S LOYALTY.

My first year with the VPW in '84, JAN BRUNOW was the publicity director. Jan sent us an enthusiastic letter with her renewal and a great note after she saw Fiddler.

We received many donations with the memberships ranging up to \$200. and a big VPW ENCORE to those great folks.

Many of you checked boxes as interested volunteers and we've compiled a list. We'll be calling you for Pirates. Thanks in advance to you. There is always room for more.

Actually, our biggest coup this fall was in terms of the gossip, rumor, and innuendo gleaned from your comments and actions. A special STAGE DUST column is being prepared for your holiday enjoyment.

I know who's been naughty and nice, or in the case of Dianna, who's been nice and naughty. For example, did you know Tom and Donna moved then Sue moved in with Tom, and Donna, well, we don't even have her new address. You might also read about why Brian was at the hospital in Muncie, Indiana, or why Johnny Roxx mistreats his girlfriend.

So, I leave you with a special VPW ENCORE to the cast and crew of  
FIDDLER ON THE ROOF for the success of the show.
